Expectations

1. Responsible – Each student is responsible for completing their own work, cleaning up their own area.
2. On Time and Prepared – Each student should come to class each day on time and prepared with the listed materials to be success in each unit of study. It is not enough to show up! You must put in the work and daily grind to master each concept.
3. Accepting of Self & Others – Each student should be a part of the positive learning environment by encouraging their peers, but also accepting various opinions, methods, and processes.
4. Respectful – Each student should approach each situation with respect, an open mind, and understanding before jumping to conclusions or judgments.
5. Each student should develop a growth mindset and use each day as a learning experience with an opportunity to show what they know, what they still need to learn, and what they can do to improve on those skills necessary for a successful year. Progress over Perfection!
6. Adhere to all policies, rules, and regulations outlined in the student handbook.

Cell Phone Policy: No electronic devices, except your school-issued laptop/computer, are allowed in the instructional setting. This includes beats, air pods, wireless headphones, etc.
