

WELCOME TO MISS. COLEMAN'S 2ND GRADE CLASS

Hello and welcome!

My name is Miss. Coleman, and I'm so excited to be your child's 2nd grade teacher at C.T. Walker Magnet School! I obtained my Master's degree in Education and my Gifted Endorsement from Augusta University. I'm passionate about helping students feel seen, supported, and challenged in all the right ways.

In the classroom, I love creating meaningful learning experiences that are both fun and effective. My goal is for every student to grow not just academically, but in confidence too.

Outside of teaching, I enjoy crafting, organizing, and tutoring students in the community. I also love spending time with my family, my fiancé and our sweet cat, Milo.

I'm looking forward to a year full of learning, growth, and memories together!
