What is IB?

IB is an internationally recognized curriculum with focus on academic rigor, international mindedness, and critical thinking. Through promoting personal development in addition to the curriculum, IB serves to foster students who are well rounded, prepared for university, and will be global citizens for a better world.

About The Programme

The IB Programmes consists of a two-year sequence of courses beginning in 11th grade. During the 9th and 10th grade years, students will take higher level classes to prepare them for the rigor of the program. Currently we offer the two different programs each with different requirements of completion.

Diploma Programme:

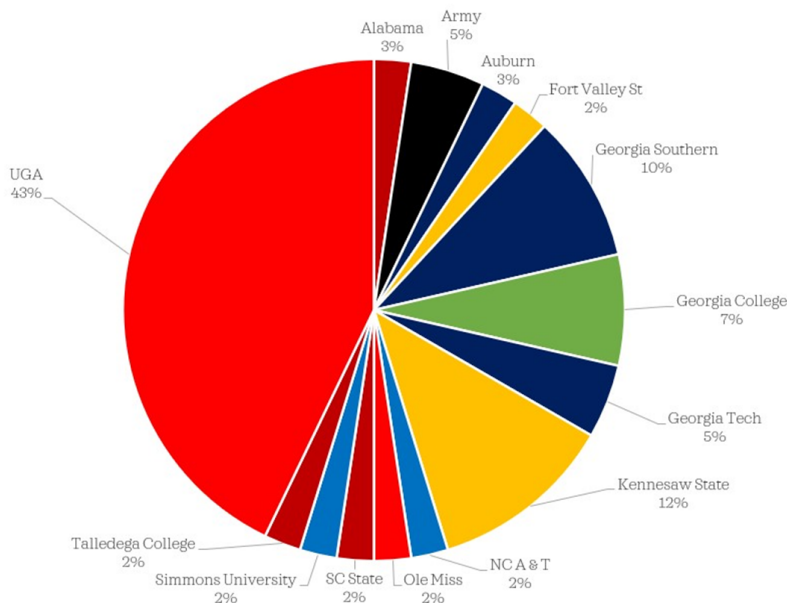

- Students take Seven IB Classes that are two years long.
- Must take Theory of Knowledge and complete 18 months of CAS.
- Must write an Extended Essay.

Career Programme:

- Students take a minimum of three IB Classes that are two years long. (Includes Personal and Professional Skills)
- Students must complete a two year career pathway:
 - Culinary, Cyber Security, Engineering, Cosmetology, Early Childhood Education, & JROTC
- Dual Enrollment is a possibility.
- Must complete Service Learning, Language Development, and a Reflective Project.
