
WHAT'S HAPPENING ON THE BOULEVARD

November 2025

October Recap

October was a month filled with celebration, school spirit, and memorable milestones for our Wildcat Family. Early in the month, our male athletes were honored during the annual Tie Ceremony, marking a significant achievement in their journey and symbolizing growth, unity, and pride.

Homecoming was a resounding success, highlighted by a thrilling victory from our home team and an impressive turnout from students, staff, and the community. Spirit Week brought vibrant energy to the halls, with students showing off their creativity and enthusiasm leading up to the big day.

We also came together for a high-energy pep rally held in the Old Gym, featuring outstanding performances by our band, cheerleaders, and color guard. The rally was a powerful reminder of the unity and pride that define our school.

On October 24th, we celebrated our senior athletes during Senior Night, recognizing their dedication and contributions to our teams. The month wrapped up with a festive Trunk or Treat event on October 30th, bringing spooky fun and community joy to our campus.

Finally, progress reports were distributed on October 31st, reminding us all to stay focused and finish the semester strong.

PBIS October Dance

It pays to be referral free!

PBIS hosted their first celebration for students who were referral free for the month of October. This dance took place during 6th and 7th period. Students were able to wear their Halloween costumes for the dance. This was a great way to spotlight our astounding students and their hard work as they have modeled the Wildcat Spirit all month long. Staying referral free is always something to celebrate, and we cannot wait for our next celebration!

Check out what everyone thought about the dance!
