Dear Parents and Students,

Welcome to the **2024-2025** academic year at Hephzibah High School!

I am thrilled to have the opportunity to guide our students through this academic year. As your teacher, I will be leading the following courses:

- **Introduction to Business Technology**
- **Financial Literacy**
- **Banking, Investing, and Insurance**

These courses are designed to equip our students with the necessary skills and knowledge to navigate the modern world. From understanding the basics of business technology, making informed financial decisions, to gaining insights into the banking, investing, and insurance sectors, our journey this year will be both educational and exciting.

We believe in the power of collaboration and open communication between students, parents, and our staff. We welcome your questions, concerns, or suggestions at any time throughout the year. Your involvement and feedback are crucial to our continuous improvement and success.

Once again, welcome to Hephzibah High School (**CTAE Business Program**). We are excited about the upcoming year and can't wait to see what it has in store for us.

Best regards,

Wayne A. Hall
