On HotNewHipHop.com a reporter by the name of Mitchell Findlay, reports that Lil Baby and uprising rapper by the name of Russ; will be release a song today by midnight. Russ has already built a fan base being an independent artist also with his catalog of music. Lil Baby already a heavy hitter in the Hip Hop community this can give Russ more notoriety in the Rap game. With super producer like Boi-1-da who produce for artist such as Drake, Cardi B, Chris Brown, Kayne West and Lil Wayne, this single has all makings of top ten song on the chart. What I think this song will do is push both artist and producer fame in music even further and make it a possible hit till the summer.
