## Pre-K Learn @ Home

Your child will have a learning materials pack with enough activities to get them through the days of Learn at Home. The teacher will also post on Class Dojo or in parents' emails an optional list of activities parents can do with their child.

### To assist in your child's learning:

- Have a designated spot for them to complete the activities.
- Have a designated device for your child to do activities such as music and movement and story time.
- Check Class Dojo or your email to see if there are optional activities you may want to use.

### Attendance for Learn at Home:

- On each day between the hours of 8:00 a.m.-3:00 p.m., you must take one picture of your child doing one of the Learn at Home activities.
- The teacher must receive this picture before 3:00 p.m. for each Learn at Home day.
- Pictures can be sent through Class Dojo or the teacher's email.
- Pictures received after 3:00 p.m. will result in a tardy.
- Pictures not received will result in an absence.

Pre-K teachers and teaching assistants will be available between the hours of 8:00 a.m.-3:00 p.m. on all Learn at Home days. You may reach your child's Pre-K teachers through their emails or Class Dojo.

If you have not signed up for Class Dojo, please contact your child's teacher so an invite can be sent to your email.
