

Good Day!

We're pleased to share with you that our two new Youth Apprenticeship positions are now open for application at Savannah River Site Nuclear Solutions (SRNS):

- Junior Business Analyst
- Junior Project Controls Engineer

We welcome your support in spreading the word! Please encourage eligible students in your network to apply.

Applicant Requirements:

- Age 16 or older
- High school junior or senior
- U.S. citizen with a valid driver's license
- Reliable personal transportation
- Available to work part-time, Monday–Thursday during the school year

The application window closes April 30, 2025.

Apply Here:
