

Teacher Quick Start Guide

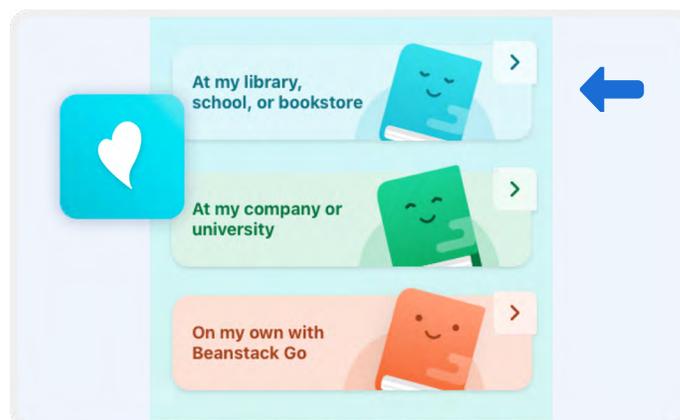

Download the Beanstack app!

How do I log in on the web?

How do I log in on the mobile app?

Students:

- ▶
- ▶ Students will see their reader profile page, where they can log reading, complete activities, write reviews, explore challenges they're enrolled in, view their reading log, and check out their streak.

Staff

- ▶
- ▶ Media specialists and teachers will see their admin dashboard. They can toggle to their reader view by clicking the green "View Reader Experience" tab on the right side of the screen.

- ▶ Head to the Google Play or iOS App store.

Students:

- ▶ Use the SSO option (Clever/ClassLink/Google) to log in.
- ▶ Use the username and password option and log in with the following:

Staff

- ▶ Use the SSO option (Clever/ClassLink/Google) to log in.
- ▶ Use the username and password option and log in with the following:

- ▶ Note: Staff cannot access administrative functions in the app, but can use it to log their own reading!

Who has access to what?

	Log reading, complete activities, and track individual progress for self	Log reading for students and classes rostered to them	Log reading for all students and classes	Access data for students and classes rostered to them	Access data for all students and classes	Create reading challenges for own classes	Create reading challenges for the entire school

Where do I go for support?

If you have a burning Beanstack question, we've got fast answers. See below for all the places you can go for Beanstack support.

- ▶ Your first stop should be the [Help Center](#), which you can access via the icon on the bottom left of your screen. From there, select **Beanstack for Schools and School Systems**. Here, you'll find articles on a variety of topics including Media Specialist Actions, Teacher Actions, Student Experience, Reports & Insights, and more.
- ▶ Click the blue **Need Help?** tab on the right side of the screen. This opens the Support widget, which lets you search and browse Help Center articles right from your admin dashboard, and if all else fails, submit a support ticket to our customer success team.
- ▶ Submit a ticket at beanstack.com/support

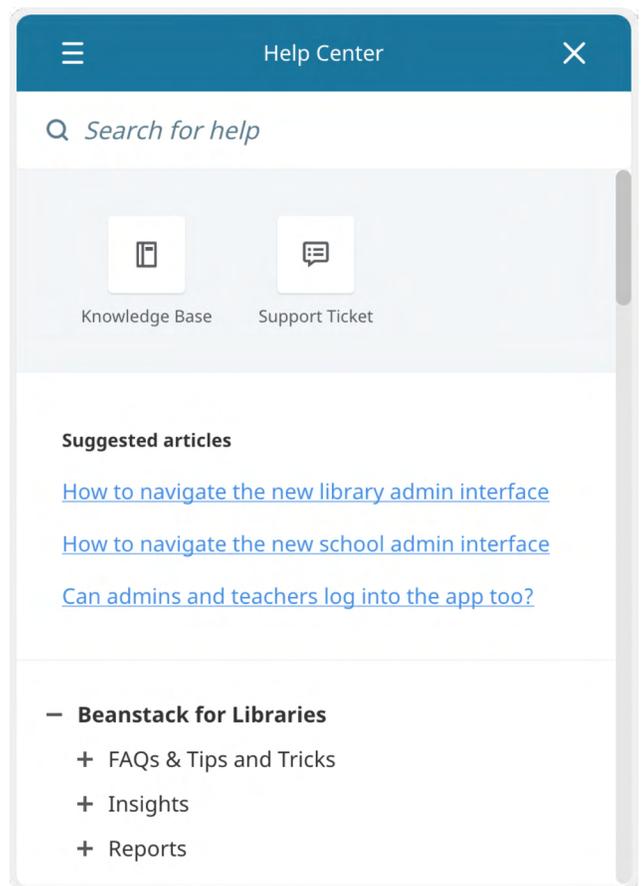

TIP

Check out the **Beanstack Basics** section of your admin dashboard for video tutorials of all things Beanstack.

Go to <http://tinyurl.com/beanstacktrainings> to register for upcoming webinars designed just for schools!

Still have questions? Contact the Beanstack School Success team at schoolsuccess@zoobean.com.
