**Richmond County Schools will observe a PowerUp Asynchronous Learning Day  
Tomorrow, March 5**

(AUGUSTA, GEORGIA) – Due to the potential for damaging high winds and in consultation with the National Weather Service and local Emergency Management Agency officials, the Richmond County School System (RCSS) will hold a PowerUp Asynchronous Learning Day on Wednesday, March 5, out of an abundance of caution. All extracurricular activities are canceled.

Students will complete assignments from home using Canvas or SeeSaw, with teachers available to communicate through Remind or Class Dojo. All assignments must be submitted by midnight on Monday, March 10.

The district anticipates resuming normal operations on Thursday, March 6, but will continue to monitor weather conditions and provide updates as needed.

Additional information will be shared through the district's inclement weather landing page at [rcboe.org/weatherupdates](http://rcboe.org/weatherupdates), the Infinite Campus Parent Portal, social media channels, and local news outlets.
